Public Hearing Statement

All persons wishing to address the City council will be asked to limit their comments to the specific subject being addressed. Public opinions and input are valued by the Council. However, it is requested that comments are directed at specific issues rather than personal comments directed toward the council members or staff in order to foster mutual respect between council members and the public.

Members of the public in attendance at public forums should listen courteously and attentively to all public discussions before the body; and focus on the business at hand. They shall refrain from interrupting other speakers; making personal comments not germane to the business of the body; or otherwise interfering with the orderly conduct of meetings.
