Attention Sine Murray, Program Manager  
3900 Commonwealth Blvd., Mail Station 140  
Tallahassee, FL 32399-3000

Sine Murray,

The City of Dunnellon is a small community in Marion County that is blessed with two rivers passing through the core of the city. Our City's seal shows these rivers and a giant bass leaping out of the water. The opportunity to acquire park property with half a mile of the Withlacoochee River through the Florida Forever Program would strongly benefit our City both esthetically and economically.

Please find attached our Prospectus for use of this property if we acquire it through the Florida Forever process. It is my hope that this application and prospectus shows our goal of preserving for passive public use this outstanding property in downtown Dunnellon.

It is my hope that the Acquisition and Restoration Council will approve this property for Florida Forever listing.

Sincerely yours,

William P. White  
Mayor of the City of Dunnellon
