

Be prepared!

Live Line and Storm Preparedness Workshop

Are you ready for the storm? Please join us at a collaborative workshop for emergency response and general safety awareness.

When: April 16, 2019 (2 sessions available)
9 a.m. to 11 a.m. | 1 p.m. to 3 p.m.

Where: Marion County Emergency Operations Center
692 NW 30th Avenue | Ocala, FL 34475

Attire: We recommend wearing flat, closed-toe shoes. This is an indoor/outdoor event with the potential for uneven terrain.

Details: Topics covered are safety, storm preparation and response, followed by an arc and spark live line demonstration. There will be an opportunity for questions regarding our storm response plan. Please extend this invitation to members of your organization. Light refreshments will be served.

Register: Please respond by Tuesday, April 9 by contacting Annemarie Hooper at 352.694.8536 or annemarie.hooper@duke-energy.com.
